U.S. Masters Swimming selects Timing & Scoring Partner, Colorado Time Systems

U.S. Masters Swimming (USMS) has selected Colorado Time Systems (CTS) as the Official Timing and Scoring Partner for a four year term effective January 1, 2010 (2010-2013).

“Colorado Time Systems’ world class products at our events will directly and positively impact the event experience,” said Rob Butcher, Executive Director of U.S. Masters Swimming.

Colorado Time Systems is also an Official Partner of USA Diving, US Synchronized Swimming, USA Water Polo, China Swimming Association, Federation Internationale de Natation (FINA) Junior World Swimming Championships, and the Mexican Swimming Federation. Colorado Time Systems has an unequivocal domestic market share in the aquatics industry, with a majority of aquatic facilities utilizing their swim timing, scoring, and display equipment.

“Colorado Time Systems is pleased to partner with USMS. We are looking forward to working with the USMS club development coordinators throughout the United States, as well as the opportunity to enhance the championship experience for athletes, organizers, and spectators,” said Dr. Anita Sayed, President & CEO of Colorado Time Systems.

U.S. Masters Swimming (USMS), based in Sarasota, FL is a national organization that provides organized workouts, competitions, clinics to adults age 18 and over. USMS is a non-profit corporation organized with over 500 clubs in 52 regions throughout the United States.

Based in Loveland, Colorado, Colorado Time Systems has established a reputation for precision and innovation in swim timing equipment. Since 1972, premier aquatic facilities have chosen Colorado Time Systems for platinum quality timing, scoring, and display systems.
